Handset Pricing

Important Notes:

- Pricing for all Fusion-provided voice handset and end user equipment is provided below. Please consult Partner Support for data router, switch and voice gateway prices as unit type and cost varies widely based on the customer application.
- Equipment must be purchased (not rented) from Fusion if service is ordered on a month-to-month basis.
- Service Quote, Order and Attachment document do not include Shipping and Handling charges. Additional fees and taxes will apply based on actual shipping charges.
