

Network Billing Systems, LLC

Interexchange InterLATA and IntraLATA Toll Service Rates Ohio

The following rates apply to the furnishing of Interexchange InterLATA and IntraLATA Toll telecommunications services provided by Network Billing Systems, LLC (“NBS”) within and throughout the State of Ohio. These rates are provided to Customers in accordance with Rule 4901:1-6-05(G)(3), Ohio Administrative Code. Applicable terms and conditions appear in NBS’s Tariff P.U.C.O. No. 1, on file with the Public Utilities Commission of Ohio. NBS is required by Ohio rules to provide a customer notice at least fifteen days in advance of any rate increases, changes in terms and conditions and discontinuance of existing services. Rates appearing on this page are current. For additional information, please contact NBS in writing at **155 Willowbrook Boulevard, Wayne, New Jersey 07470** by calling **888.301.1721**.

I. Dial Access Service is a switched or dedicated access service, offering users outbound “1 plus” long distance telecommunications services from points originating and terminating in the State of Ohio.

A. Switched Access Dial Access Service Calling Plans

Switched Dial Access Service Calling Plan I allows users to select Ameritech – Ohio as the underlying carrier.

Switched Dial Access Service Calling Plan II allows users to select SNET or Cincinnati Bell as the underlying carrier.

Switched Dial Access Service Calling Plan III allows users to select another independent or non-Regional Bell Operating Company as the underlying carrier.

B. Dedicated Access Dial Access Service Calling Plans

Dedicated access services are designed for commercial Customers with high traffic volumes, whose traffic volumes justify the additional costs of dedicated access facilities. Customers must experience a minimum of \$3,000.00 of monthly calling to qualify for dedicated access services. Dedicated facilities may be provided by the Customer or through the Company and are billed by the underlying local service provider under its access tariffs.

Dedicated Dial Access Service Calling Plan I allows commercial users to select Global Crossing as the underlying carrier.

Dedicated Dial Access Service Calling Plan II allows commercial users to select WorldCom as the underlying carrier.

Dedicated Dial Access Service Plan III allows commercial users to select Qwest Communications as the underlying carrier.

II. 800 Service is a switched or dedicated access service, offering users inbound, toll free “800” number, long distance telecommunications services from points originating and terminating in the State of Ohio. This service enables the caller to contact the Customer without incurring toll charges, through the use of an assigned “800” number. The Customer pays for the call.

A. Switched Access 800 Service Calling Plans

Switched Access 800 Service Plan I allows users to select Ameritech – Ohio as the underlying carrier.

Switched Access 800 Service Plan II allows users to select an SNET or Cincinnati Bell as the underlying carrier.

Switched Access 800 Service Plan III allows users to select another independent or Non-Regional Bell Operating Company as the underlying carrier.

B. Dedicated Access 800 Service Calling Plans

Dedicated access services are designed for Customers with high traffic volumes, whose traffic volumes justify the additional costs of dedicated access facilities. Customers must experience a minimum of \$3,000.00 of monthly calling to qualify for dedicated access services. Dedicated facilities may be provided by the Customer or through the Company and are billed by the underlying local service provider under its access tariffs.

Dedicated Access “800” Service Plan I allows users to choose Global Crossing as the underlying carrier.

Dedicated Access “800” Service Plan II allows users to choose World Com as the underlying carrier.

Dedicated Access “800” Service Plan III allows users to choose Qwest Communications as the underlying carrier.

III. Calling Card Service permits the caller to charge the principal presubscribed location for a call while the caller is away from the principal location. The Customer may place calls from any touch tone phone in the U.S. by dialing a toll free “800” number and entering a personal identification code, followed by the desired telephone number. Calling card calls are billed at the Applicant's tariffed rates and appear on the Customer's monthly long-distance bill.

IV. Directory Assistance Service The Company provides Directory Assistance as an ancillary service exclusively to its customers. Directory Assistance is accessible by dialing “1”, the area code of the desired number and “555-1212”.
