E. Deposits and Advance Payments

1. Advance Payments

The Company may require a Customer or applicant for service to make an advance payment (1) if the applicant is unable to establish that he had a previous account with a telephone utility for a period of at least 12 months for which all undisputed charges were satisfactorily paid, or (2) if the applicant has had no previous telephone service or has had previous telephone service of less than 12 months, the applicant's credit record will be accessed and evaluated by means of a mechanized retrieval system between the Company and nationally recognized credit bureaus. No security payment will be required of those applicants who meet the Company's criteria, as evaluated by the scoring model. The criteria used in assessing a score is as follows: collection judgments, written-off accounts, outstanding collection accounts, various degrees of delinquency history from 30-180 days and not paid in full or current at the time of scoring, bankruptcies, liens, other public records. The advance payment will not exceed an amount equal to all nonrecurring charges and two month's estimated recurring charges, as a condition of continued or new service. In addition, where special construction is involved, the advance payment may also include an amount equal to the estimated nonrecurring charges for the special construction and two month's estimated recurring charges. The advance payment will be credited to the Customer's initial bill and, to the extent that a credit balance remains after the amount of the initial bill has been satisfied, then the credit balance will be applied to subsequent bills in the same manner until there is no balance remaining on the advance payment.

The Company reserves the right to examine the credit record of all service applicants as stated above and require a security deposit, not to exceed two-twelfths of the estimated charge for the service for the ensuing twelve months; and, in the case of seasonal service, in an amount in not to exceed one-half of the estimated charge for the service for the season involved, when determined to be necessary to assure future payment. If the deposit is refunded within 90 days of receipt of deposit, no interest payment will be paid. If the Company retains the deposit more than 90 days, payment of interest shall be made beginning with the 91st day after receipt of the deposit.

Interest on a deposit shall accrue annually, and, if requested, shall be annually credited to the customer by deducting such interest from the amount of the next bill for service following the accrual date, or paid to the customer at the time the deposit is returned or credited to the customer's account. The deposit shall cease to draw interest on the date it is returned or credited to the customer's account, or escheats to the State, with accrued interest, or after the discontinuance of service. Annually on October 1, or the first business day immediately thereafter, the Company shall review its customers deposit accounts and shall automatically refund the deposit of any customer who has paid his bills for service for the preceding twelve consecutive bills without having had service discontinued for nonpayment of bill or had more than two occasions in which a bill was not paid when it became due, and the customer is not then delinquent in the payment of his bills.

(c) Amount of Deposit

The amount of the deposit shall not to exceed two-twelfths of the estimated charge for the service for the ensuing twelve months; and, in the case of seasonal service, in an amount in not to exceed one-half of the estimated charge for the service for the season involved, plus two months' toll or nonrecurring charges, determined by actual or anticipated usage.

All Disputes must be resolved as described in this Section. SECTION 2 - PROVISION OF INTRASTATE INTEREXCHANGE SERVICE (CONT'D.)2.2. Rules and Regulations (Cont'd.)2.2.13 Dispute Resolution (Cont'd.)

If the Customer has a Dispute with the Company, the Customer must first call the Company's Customer Service department, at the number listed on the Customer's invoice, to attempt to resolve the Dispute. The Customer must describe the Dispute and provide the Company with any supporting documentation reasonably requested by the Company. Likewise, if the Company has a Dispute with the Customer it will notify the Customer by letter sent to the Customer's billing address and attempt to resolve it before pursuing arbitration.

MANDATORY ARBITRATION OF DISPUTES. ANY DISPUTE OF ANY KIND BETWEEN THE CUSTOMER AND THE COMPANY, OR ANY EMPLOYEE, AGENT, PRIVY OR AFFILIATED ENTITY OF EITHER PARTY, WILL BE RESOLVED BY FINAL AND BINDING ARBITRATION AS PRESCRIBED IN THIS SECTION. The arbitrator will be selected according to the rules of the American Arbitration Association or, alternatively, may be selected by agreement of the parties, who will cooperate in good faith to select the arbitrator. All expedited procedures prescribed by the applicable rules will apply. All required fees and costs will be paid equally by the parties as set forth in the AAA commercial arbitration rules. The arbitrator's decision and award will be final and binding, and judgment on the award rendered by the arbitrator may be entered in any court with jurisdiction.
