Say "goodbye" to paper jams and busy signals

Go paperless

Go paperless and eliminate the costs and frustrations associated with traditional fax machines.

- Cut the cost of hardware, paper, ink, and traditional analog phone lines dedicated to faxing
- No dialing means no busy signals.
- Enjoy greater document security as faxes are delivered straight to your email inbox

Why Fusion Connect?

- F** is for Full Stack. We offer a complete set of products, all from one vendor. One contract, one number to call, one invoice. Zero finger pointing.
- U** is for USA. American made, American owned, American operated, American staffed. We're here because you prefer it that way.
- S** is for Support. We deliver a flawless experience, from Support, to On-boarding, to CX. We are long tenured, on-shore, deep experts in operations.
- I** is for Industry Leading Guarantees. We stand behind our products/services with the best guarantee in the industry, covering price, installation, and satisfaction.
- O** is for Obsessed, Customer Obsessed. In an industry where competitive products can often look the same, we are different. We make all decisions through the lens of our customer. We will do whatever it takes to do right by you.
- N** is for Network, Network Uptime. Fusion operates a fully-redundant, failover-proof network that delivers "five 9's" performance and a 100% uptime guarantee.

100% US-based support

Fully US-based support 24/7/365 ensures we are ready to respond quickly to any problem.

The most extensive service guarantees

Our guarantees are designed to provide peace of mind and ensure a world-class customer experience. We offer the industry's most comprehensive service guarantees, including Customer Satisfaction, Installation, Future-Proof Technology, Rate-lock, and 100% Uptime.
