

# Hosted Exchange

The Power of the Cloud Allows You to Simplify Your Communications and Reduce Costs

## Why Hosted Exchange?

Hosted Exchange enhances employee communication and collaboration for businesses and organizations of any size. Trusting Fusion Connect to host your email service eliminates your daily maintenance worries with no investment in costly IT infrastructure.

Hosted Exchange is a flexible, powerful tool for professional, reliable email communication, with a wealth of additional benefits.

- Shared calendar and task functionality promotes collaboration among employees, to boost productivity.
- Industry-leading anti-spam/anti-virus protections guard your organization from the dangers and inconvenience of inappropriate mail.
- Award-winning customer support representatives are available around-the-clock to assist with any problems.
- Fusion Connect's financially-backed, industry leading uptime SLA gives you the peace of mind that your email will be there when you need it.

Choosing Hosted Microsoft Exchange from Fusion Connect gives you a trusted partner focused entirely on providing advanced communication and collaboration solutions.

## Key Features

- Easily managed email, calendars, contacts, and tasks
- Available virtually anywhere, anytime. Supported devices include PC or Mac®, web browsers, or popular mobile devices or tablets including Android®, and iPhone®, or iPad®.
- Contact Management with shared calendars & scheduling
