

FusionWorks Pro with MS Teams

Securely Call, Chat, Meet, and Collaborate from Anywhere

Support Teamwork Across Your Hybrid Workforce

Leverage a complete voice and collaboration solution delivered in the Teams app to support your work-from-anywhere workforce. The productivity features and reliability of a hosted voice calling platform combined with the diverse tools of Teams improves efficiency and ensures business continuity.

Video Conferencing

- Move from chat to video conference in one click. Teams of two or 10,000 can meet in one place from anywhere
- Schedule or start instant meetings
- Automatically record and transcribe meetings
- Transfer meetings between devices
- Customize backgrounds

Voice Calling

- Make and receive calls directly in Teams, including external customers, partners, and peers
- Use one business phone number across any device
- Includes 50+ hosted voice features, including popular auto attendant, voicemail, and call transfer
- Nationwide calling plans at affordable prices

Never Miss A Call

Backed by a 100% uptime guarantee, Fusion Connect's calling system is always up and running. Even if the Teams app is disrupted, you can still make, receive, and forward calls.

STARTS AT
\$14.95/mo per user*
