

Microsoft 365 Business

An integrated solution bringing together best-in-class productivity tools, security and device management

Achieve more together

Create, connect, and collaborate with people, inside and outside your company.

Anywhere it matters

Enable your people to be productive anywhere, on their favorite devices.

Always-on security

Help protect your data and devices from one simple dashboard that is always up to date.

Simplified for business

Manage all your IT services in one place and minimize the work so you can focus on what matters: your business.

Microsoft 365 Business includes:

Comes with Office

Stay up-to-date with the latest versions of Word, Excel, PowerPoint, and more.

Email and calendaring

Connect with customers and coworkers using Outlook and Exchange.

File storage

Manage your files from anywhere with 1TB of storage.

Data protection controls

Help secure business data on personal and company-owned devices.

Safest Windows ever

Get upgraded to Windows 10 Pro from Windows 7 and 8.1 Pro.

Cyberthreat protection

Help protect PCs from malware, viruses, and spyware.

Administration and deployment

Manage new PCs and devices faster and more easily than ever.

Dependability and support

Get 99.9% uptime guaranteed and 24x7 online and phone support.

A single solution designed for your business
