How can I access my portal from a smartphone or tablet?

Your Fusion Connect Client Portal is sectioned in Tiles (Sites, Billing, Notices, Services, Orders and Disconnects, and Tickets) for easy mobile access from a smartphone or tablet. *Note: The portal is not an app.*

User your web browser on your smartphone or tablet to log in with your credentials using the URL login.fusionconnect.com.

This is a view of your portal from a mobile device.

Because of the tile layout of the portal, you can see how easy it is to navigate and use this from a mobile device. Everything that's clickable from a mobile device provides the same access as a web browser.
