## How do I read the Sites tile?

The Sites tile shows a list of the sites on your account, including the Site name, its unique Account Number, and the City and State in which that site is located.

Site	Account Number	City
Ashley Palacol	3418205	HERN
Billy Fisher	3030200	HERN
Billy Fisher LITTLE RIVER	3992460	LITTL

You will also see the number of your active Sites.

*Note: If you have any of Fusion Connect's Internet Access Services and/or Fusion Connect's SDWAN services, you will also see an indicator in this section if any of those services are Down, or Inactive. (The Alarm and Off features are still under construction and will be made available at a later date.)*
